

We have been a professional broadcasters/journalists for more than 25 years. We remember "The Fairness Doctrine" and laws which mandated Equal Time during political campaigns. Of course, that was before multi-billion dollar conglomerates devoured and confiscated the public airwaves of America. Many of these corporations and owners of stations today are controlled by RepublicON right wing propagandists.

Unfortunately, we hold the same cynicism toward the FCC which permitted this travesty. Our most cynical assessment is demonstrated by the fact that the Bush regime has placed the Son of the U.S. Secretary of State in charge of the FCC.

Is it any wonder why fascists who own Sinclair Broadcasting are being allowed by Mr. Powell and the FCC to air FREE OF CHARGE ON THE AIRWAVES STILL OWNED BY THE AMERICAN PEOPLE an anti-Kerry documentary this close to the Presidential Election with no "equal time" provision.

In the golden age of broadcasting, this sin by Sinclair would have been aggressively outlawed and many station licenses would have hung in the balance of such UNBALANCED abuse of the PUBLIC AIRWAVES!

I will hold Mr. Powell and the FCC responsible for this UNAMERICAN activity. Sinclair's conduct with government sanctioned support can only be compared to the one-sided presentation refined by the Soviet Union and Pravda. Mr. Powell and all politicians who refuse to condemn Sinclair broadcasting for this DANGEROUS ABUSE of FAIRNESS are truly traitors to the American way. Frankly, it's UNPATRIOTIC and SHAMEFUL. Terrorism is a relative term given the actions of Sinclair and those on the FCC who are turning a blind eye and deaf ear to this highjacking of the public airwaves!

We have sadly entered the age of Big Brother which even George Orwell would find painfully extreme!
